Rob,
I'm at the same location. See you tomorrow!

Thanks,
Vin

Hello Vin and Valerie,
I talked with Brian Caldwell 2 weeks ago and he gave me you locations at that time. I would like to use good weather tomorrow to stop and see for a few minutes. Also, the actual County storm water basin where some of the plant discharge is going. No need to go "in" but I'm not even sure where it is located.
Can you give me a call with current locations?
Regards,
Rob Alvey
